

4th Annual Illinois Invasive Species Symposium

May 31, 2017

Champaign, IL

Call for Abstracts

We are now accepting abstract submissions for presentations at the 4th Annual Illinois Invasive Species Symposium. The Symposium is a joint effort between University of Illinois Extension, the Illinois Natural History Survey, and The Morton Arboretum. It provides an opportunity to learn about projects and programs underway to address invasive species that are impacting Illinois' natural lands and native species.

Presentations should be on invasive species projects or programs in Illinois. We are accepting submissions of presentations on all taxa of invasive species. Presentations will be 20-30 minutes in length.

Please email abstract submissions to cwevans@illinois.edu by April 3, 2017. Authors will be notified by April 17.

Abstract Format

1. Title
2. Authors: Include author names and contact information. If there are multiple authors, please place an asterisk (*) after the name of the presenter(s)
3. Body of abstract: Body of abstract should be a single paragraph and provide a brief description of the presentation
